Subject: Last minute Special Offer - Cruise to France and Channel Islands

Hi,

We have one space just become available on a 7 day cruise to France and the Channel Islands. The dates are 7th to 13th August. You would depart from and return to Shamrock Quay in Southampton. We'll sail across the Channel and visit islands like Sark, a beautiful Island with no cars, wild flower meadows and sandy beaches.

There is an opportunity for 2 people (one there, one back) to have a go at skippering a passage of more than 60nm. After a couple of days pottering around the Channel Islands, anchoring in secluded bays, swimming, barbeques on the beach etc., we'll sail on to the Brittany coast with its pretty rivers and renowned seafood.

The price is reduced from £520 to £420.

During the 7 days you can gain an RYA qualification, build up sea miles or just relax and enjoy the sailing.

For further information or to book phone me on my mobile number below.

Best Regards

Charlie Tulloch
