Crewing Service

I wish to join the Crewing Service and be included on the list of Crew seeking Berths.

I confirm that I have read “Notes on the Service-Crew”. I acknowledge that the CA carries out no examination or diligence on either skippers or crew and consequently makes no recommendation to either as to the suitability of others using the Crewing Service; accordingly I accept that participation in the Crewing Service is entirely at my own risk and that neither the CA nor any of its officers or members is liable for any loss, injury or damage to me or my property. I also confirm that the information I provide on my application form is correct and I agree to the CA holding this information and disseminating it to others using the service.

Signed: _____

Date: _____

*I enclose a cheque for £20/£30 payable to the Cruising Association.

Date _____

Notes on the Service for Crew

The Crewing Service is designed to put potential Skippers and Crew in contact with each other. Neither the Association nor its agents accept any responsibility for inaccuracies, nor can they guarantee that Crew will find Skippers. The Service is not designed for those wanting to run their boat on a profit-making basis. The provision of names is not a recommendation and it is up to you to judge the suitability of the people you contact or of those who may contact you. Completion of the application form acknowledges that participation in the Crewing Service is entirely at your own risk and that neither the Cruising Association nor any of its officers or members organising the service will be liable for any loss, injury or damage suffered by you or to your property. Crew and Skipper details provided by members of the Crewing Service can be viewed on the MyCA section of the CA website via a unique user name and password. If you do not have an email address, hard copy listing Skippers will be mailed to you monthly.

Use of the Crewing Service is free to members of the CA. Your details will appear for three months from the date you submit your application form unless you update them.

Use of the Crewing Service by Non members: there is a charge of £20 to join the service for 12 months from the date you apply; couples at the same address who want to crew together – £30 for their first year only.

To keep the lists current and relevant, details are automatically dropped from the Crewing Service list after three months but can be updated at any time within your membership.

For CA members and non member to continue using the service after three months you should update your details on MyCA *before* the end of the three month period.

You can re-join the service at any time in the season by contacting the secretariat.
